DECLARATION OF ORIGINALITY AND ANTI-PLAGIARISM UNDERTAKING

(To be submitted by the corresponding author along with the final submission)

INSTRUCTIONS TO AUTHORS *(please read before filling this form)*

1. This declaration is to be completed by the corresponding author on behalf of all co-authors, and submitted along with the final submission/poster.
2. Part A and Part B are mandatory for every submission. Part C is to be completed only where the paper / poster is being submitted for publication.
3. Type the form or write in block letters. No field should be left blank — write “NA” where a field does not apply.
4. Signatures of all authors are preferred. Where a co-author is unable to sign, the corresponding author may sign on their behalf, having obtained their approval of the final version.
5. Submissions by students must be countersigned by the supervisor / guide and the Head of the Department.
6. Where Part C applies, the plagiarism report generated by the detection software must be attached; the declaration will not be accepted without it.
7. Scan the completed and signed form as a single PDF and e-mail it to icretbs2026@gmail.com with the subject line “ICRETBS-2026 Declaration – <Abstract ID>”, before on or before 6th August 2026.
8. Incomplete, unsigned or illegibly scanned forms will not be processed, and the certificate of presentation will not be issued until a complete declaration is received.

DECLARATION OF ORIGINALITY AND ANTI-PLAGIARISM UNDERTAKING

(To be submitted by the corresponding author along with the final submission)

PART B – DECLARATION OF ORIGINALITY (Mandatory)

I / We, the author(s) of the above-mentioned submission, do hereby solemnly declare that:

1. The work submitted to ICRETBS-2026 is our own original work carried out by the author(s), and due acknowledgement has been made in the text and reference list to all material used from other sources.
2. The submission has not been published previously, in whole or in part, and is not under consideration for publication or presentation at any other conference, journal or forum.
3. All text, figures, tables, images, data and supplementary material reproduced from other sources have been duly cited and, wherever required, necessary permission from the copyright holder has been obtained.
4. The manuscript / poster does not contain any fabricated, falsified or manipulated data, and does not violate any existing copyright, patent or intellectual property rights of any third party.
5. Any use of generative artificial intelligence tools has been limited to language editing or formatting assistance and has been disclosed below; no AI tool has been listed as an author, and the author(s) accept full responsibility for the entire content of the submission.
6. All persons named as authors have made a substantial contribution to the work, have seen and approved the final version, and no person entitled to authorship has been omitted.
7. We understand that plagiarism, duplicate submission or breach of research ethics is a serious academic offence, and that the Organising Committee of ICRETBS-2026 reserves the right to reject the submission, withdraw the certificate of presentation, exclude the work from the conference proceedings and inform the parent institution of the author(s), at any stage before or after the conference.
8. We authorise the Organising Committee to verify the originality of this submission using any plagiarism detection software and to retain a copy of the submission for the conference record.
9. We accept sole responsibility for the correctness of this declaration, and are aware that plagiarism in research work attracts penalties under the UGC Regulations, 2018 or the equivalent research-integrity policy of our institution, as applicable.

*Authors whose institution does not hold a licence may avail the plagiarism detection software provided free of cost to Higher Education Institutions by the INFLIBNET Centre under the Ministry of Education's ShodhShuddhi programme (DrillBit Extreme).

I / We, the author(s) of the above-mentioned submission, do hereby solemnly declare that:

1. The similarity of the submitted work has been checked using credible plagiarism detection software, as required of every AICTE-approved institution under the Approval Process Handbook and AICTE letter No. NWRO/AICTE/MIS/2019-20 dated 26.08.2019, and the similarity index — excluding references, bibliography and standard technical terminology — does not exceed 10%, corresponding to "Level 0 / minor similarity" under the UGC (Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions) Regulations, 2018.
2. The submission is free of self-plagiarism; no substantial portion of our own previously published work has been reproduced without appropriate citation.
3. We are aware that plagiarism in academic and research publications attracts graded penalties under the UGC (Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions) Regulations, 2018, or under the equivalent research-integrity policy of our institution where those Regulations do not apply; that such penalties are imposed by the competent authority of our own institution; and that any consequence arising from a false declaration in this form rests solely with the author(s).
4. The plagiarism report generated by the software has been attached along with this declaration.
